Attendees who attend the full experience camp will get a code to register for BDC auditions in January for free!

Not sure if you're ready to audition for Blue Devils C? Want to get personalized feedback to prepare for the audition season? This is an immersive full weekend experience, very similar to our camps during the spring, and also designed to specifically prepare you for Blue Devils C auditions in January. At this camp you will work alongside prospective Blue Devils B members and work on skills to prepare you for Blue Devils C auditions. You will have a chance to play on the Blue Devils' instruments, and you will get a sense of what it takes to become a member of Blue Devils C. This weekend will consist of ensemble time, but you will also receive an individual audition with the staff where you will perform your prepared solo material, as well as be placed in a variety of group settings with distinguished members of our teaching staff to work on specific areas of your performance. We will be covering all material in the packet, and you will also have the opportunity to receive feedback and advice from various members of the staff. Note: This weekend will be centered around the BDB Packet material.

Can only attend one day?

We have a special one day only registration at a discounted price!!

How old do I have to be to be able to participate?

Blue Devils C is designed for performers 14 to 17 years old. To be eligible for participation, members must not be older than 18 years old on or before July 15th, 2026.
